

BUSH CRAFT 1 AND 2 DAY

LEVEL 4

These courses are fantastic for those wanting to improve their skills in the core areas of navigation and river crossing. They involve a lot of practical skills mixed with applied theory.

These courses are designed to be flexible to meet the needs of local groups. The two day course focuses on poor and good visibility navigation, including GPS, river crossing and communications. Courses can be made up of the following standards:

- US427 Cross Rivers
- US431 Navigate in good visibility
- US432 Navigate in poor visibility
- US4573 Communicate using 2 way radio
- US20159 Gather and apply weather information to an outdoor recreation activity
- US9677 Participate in a team or group which has an objective
