

# OUTDOOR RISK MANAGEMENT

**US451 MANAGE RISK FOR AN OUTDOOR RECREATION ACTIVITY**

**US 20146 APPLY CONCEPTS OF BASIC RISK MANAGEMENT AS AN OUTDOOR RECREATION LEADER.**

**US 9677 PARTICIPATE IN A GROUP/TEAM WHICH HAS AN OBJECTIVE(S)**

**LEVEL 4 | 12 CREDITS**

This two day course is aimed at Team Leaders, Incident Management Team members, Group Training Officers and anyone responsible for the safety of SAR personnel.

Students are introduced to the LandSAR Safety Management System, risk management theory and practical tools that can be put to practice in the field.

All participants will get the opportunity throughout the course to practice safety while leading a team during outdoor scenarios.
