

# SCENARIO RECORDING SHEET

Operation name:

Operation period: date/time

**Scenario description: What might have happened to the MP?**

Starting point:

Activity or purpose:

Direction of travel:

Route:

Destination:

If you do not have details for these five points, make an assumption to fill the gap, but note what is fact and what is assumption.

**Evidence or factors used to develop the scenario:**

**IMT decision about the likelihood of this scenario:**

Does scenario fit with known facts, is it realistic, consistent with lost person behaviour, consistent with terrain analysis.

Approved:

Date/time:

What priority has IMT assigned this scenario after considering all the scenarios developed?
